SURVEY OF NEEDS

PREPARING FOR MARRIAGE AND FAMILY

This is a big pioneer effort and we urgently seek your help. How do you think we can best set up materials and classes to fill your needs? We hope to help prepare for a year's work on getting ready for MARRIAGE AND FAMILY something like they do on a Neighboring Planet, but to suit our particular needs where we are and as we are. This would be to provide helps not only for the nuclear family of father, mother and children but for the present-day split families, second families, combined families and one parent families. This is the evolutionary family pattern life on this planet at the present time. PLEASE HELP US. PLEASE JOT DOWN ANY NEEDS OR SUGGESTIONS THAT COME TO YOUR MIND. RETURN TO JULIA OR CHICK.

TO:
MARRIAGE AND FAMILY CLASS MEMBERS

Dear Friends:

A warm and heartfelt appreciation is expressed for a great celebration of the Master's birthday, August 21. I know that each of us felt a true meaningful experience and I promise you this will grow and grow in depth through the years. I was overwhelmed!

A special personal thank you goes to each of you for the lovely gifts. They are treasures! I found later that the Pyramid is by Bedurd and only 100 are made and mine is # 21. This is all etched on the side very low and very modestly so that one doesn't see it at first. Do look for it when you come again. It graced my dining table last night with four small tiny candles at the base to bring out the lights and was really lovely. Jim's company made the materials and this artist put it all together. The orange candles brought out an exciting color effect. It was really a conversation piece.

CLASS NIGHT

Our next class will be on September 21 at 5 p.m. at my home. We will eat dinner afterwards in the back garden and it will be potluck as before. Roxie and Bruce will coordinate it-822-2498.

TOPIC- Discipline. First self-discipline as presented in The URANTIA Book and then Discipline of Children as presented in The URANTIA Book. But of course discipline of self, and self-control must come before parents can truly discipline children. The theme of this class is the quotation, "Self-Control is the Watchword of Urantia."

Your home work? Each one should bring one quotation from the BOOK on this topic. If your quote happens to be the same as some one else's it doesn't matter as these quotes are worth repeating. However this rarely happens that people select the same quote PLEASE WRITE OR TYPE YOUR QUOTE and give the page number and the paragraph number(counting down from the top- partial para. counting as 1. They will all be put together in a paper on Discipline. You will find many quotes by checking Clyde Bedell's Concordex and also by using my Annotated Bibliography for Parents that I handed out at the first classes. One section is entirely on Discipline. If you don't happen to have this call me and I will mail you one.

Good News →

Jim English will present a short talk on recent developments on FAMILY in our government circles- we're getting closer and closer to the way they recommend in Government on a Neighboring Planet.

Much love *Julia*

Dear Friends:

Our next meeting of the Marriage and Family class will be on SUNDAY, NOV 16, at 5 p.m. at my home.

Warren Vandenhoff has worked devotedly to help finish the booklets which will contain your chosen quotations on Self-Discipline and Discipline of Children. Each of you will receive one.

Homework for Sunday the 16th: Bring one of your favorite quotations on the life of Jesus- some incident of his life for we will celebrate:

A Remembrance Supper

This will be immediately after we have finished our meal of good fellowship.

Please bring your URANTIA Books as we want to really dig into the book this time as we review our lessons on Marriage and PARENTING. Our whole goal is to learn all we can from the URANTIA Book about our topic. We can get the other information from television, periodicals, colleges, health centers, so SUNDAY WE WILL CONCENTRATE ON THE URANTIA BOOK.

This will be a Pot Luck supper so please bring:

1. A hot dish OR
2. A salad OR
3. A dessert.

I will furnish tea, coffee and punch, and sugar and cream.

We are all looking forward to an evening of learning, love and good fellowship.

Julia
