

Seven Urantia Truths

- God is the greatest experience in human existence. All of us can experience God because we are all children of the Heavenly Father.
- We will receive eternal life if we have faith and trust in God.
- Love is the most powerful force in the universe. We are asked to love one another as Jesus loves us.
- There is an actual part of God that lives within each of us.
- We live in an orderly, intelligent, and loving universe.
- Human life has a divine purpose. There is meaning in our planetary history, value in our present situation, a hope for future generations.
- The most important knowledge in the world is knowing the religious life of Jesus. The most important spiritual practice is living the religion of Jesus.
