URANTIA BROTHERHOOD
533 DIVERSEY PARKWAY CHICAGO ILLINOIS 60614

Marked Dec. 2, 1974

November, 1974

Members and Friends of the URANTIA Brotherhood:

Those of us who attended the Summer Study Session at Kendall College last July were enthused by the atmosphere, fellowship, and stimulating talks. We have a confident hope that we can maintain this high level of inspiration. The Committee on Education is also faced with the task of reorganizing the Brotherhood School.

Would you help by giving us your ideas concerning the questions on the enclosed questionnaire. Our intent is not to burden you with an "assignment." But we want those who are willing to share their ideas with us to know that we very much appreciate this sharing. Respond only to those questions or topics where you have a desire to make a contribution. In this way we hope your response can be a creative experience for you as well as a help to our committee.

Send your comments to: The Committee on Education, 533 Diversey Parkway, Chicago, Illinois 60614 by January 1, 1975. We shall be grateful for any help you can give us and send you our best wishes for a joyful and refreshing holiday season.

Cordially,

Meredith J. Sprunger
Chairman
Committee on Education

P.S. Our tentative dates for the Summer Study Session are August 1 and 2, 1975.
