Stephen Zabielski
Boulder Fellowship Believers
1401 Marine #7
Boulder, CO 80303

Dear Stephen:

A short year has passed since your group has joined the Study Group Fellowship of URANTIA Brotherhood. The original application provided that membership in the Fellowship would be renewed on a yearly basis, a time period which both the Domestic Extension Committee and the Executive Committee now feels is too short. Therefore, we will try to evolve a less cumbersome membership procedure.

In lieu of formally renewing your membership in the Fellowship, please just let us hear from you; tell us how your group is doing, and what, if anything, we can do for you. To keep our records up to date, let us know of any changes in your group's membership and any changes of meeting times and places. Attached to this letter is a copy of the information on your group as it occurs in our records. Since this is our first time through, and since (hard as it may be to believe) we were not always able to make out some individuals' handwriting, we have misspelled a few names. Please return the sheet to us with your corrections, additions and deletions, and any comments you might have.

Our major project for the year was to assemble the information for the Study Group Directory, which is now being typeset, and which should be available before too long. It will list each study group leader's and alternate's phone number (but not his or her address) and the name's (without addresses or phone numbers) of the other study group members which we have available. We're very excited about the potential the Directory will have to help all of us keep in better touch with each other, and to help visiting readers know when groups meet and whom to contact when in the area.

Incidentally, the grand total of the known study groups listed in the Directory at last count comes to 196. While we're yet a considerable ways off from the thousands of study groups which must be formed, it's not too bad for a start, don't you think?

May our loving fellowship in our URANTIA Book study group activities bring us all closer to God and to each other!

Fondly,

Harry McMullan, Chairman
Domestic Extension Committee
