APPROVAL OF MINUTES:

The minutes of the previous meeting were approved and the following new items were brought up for discussion:

NEW BUSINESS:

1) Special Projects would like to determine the feasibility of a full color appointment wall calendar that has one large full color image with 12 tear-off pages for each month. Chick volunteered to determine the costs of printing such a calendar with the intention of having it available for the IC2002 conference. He will report his findings by the end of September.

2) Special Projects would like to produce a photo album for attendees at IC2002. It would contain a photo of each attendee, name, address, e-mail, etc. and would be intended for personal use only. Michelle has a photographer friend and volunteered to check on the feasibility to obtain the information, produce the album, and mail it to all participants. She will report her findings by the end of September.
