Dear Meredith:

It is with a great deal of pleasure that I can inform you that the Executive Committee appointed you as an official Field Representative, at its meeting on May 2, 1960.

Attached is a copy of the resolution establishing the position of Field Representative, which was passed by the Executive Committee on May 4, 1959. This will explain just what is involved.

I am also attaching a copy of the letter I have written to the societies notifying them of your appointment.

We are delighted to have you as an official representative and I am sure a great deal of good will come from your contact with the societies and study groups.

Cordially,

Secretary-General

Marian Rowley

P.S. I am also attaching a sheet outlining the procedure for making reports. It sounds pretty complicated, but it is working out very well, as far as Bill Sadler's reports are concerned. (He is the other Field Representative.) Any time you are in the office, I'll be glad to show you the reports he has made.
