Dear Marian:

Thank you for your helpful comments on my proposed talk for Oklahoma City; I think it is an excellent idea to include a reference to present developments. It would seem to me that it is quite important for the Societies - and maybe some Study Groups - to receive an informal monthly news letter such as you suggest (and I would appreciate it too).

Will be glad to see what suggestions the Oklahoma Society has regarding communications with or services from the Chicago office. Thank you for introducing us to some of the Oklahoma people. We are looking forward to meeting them.

After getting quotations on train and air transportation, I think we will drive - its cheaper! Irene is planning to come along but all plans are not complete at present. I think we can temporarily swing the finances - we'll send you an account of our expenses when we return.

The Cocoa, Fla. letter is a bit disturbing (and interesting - I have encountered several such individuals in my pastoral experience) but I guess we can expect all kinds of contacts. Such "oddities" are probably easier to deal with than some of the more rational people we may encounter.

We will be going up north Wednesday of this week and will stay until about September 1st. Our address will be Box 60, Iron River, Michigan. Am contacting Miss Elliott (enclosure) so that we can get a clear picture of our schedule see if they have any specific requests.

When we return from vacation, I will make final plans and be looking for the various materials which you will supply me. Best wishes and thank you for your help.

Cordially yours,

Dear Miss Elliott:

Miss Marian Rowley, Secretary-General of the Urantia Brotherhood, has suggested that I contact you directly regarding our visit to Oklahoma City on September 10-11.

I understand that I am to meet with the Oklahoma Society on Saturday, September 10 and attend your Society meeting on Sunday, September 11 as a visitor.

Although our plans are not complete, Mrs. Sprunger and I hope to arrive in Oklahoma City by car on Friday evening, September 9. Miss Rowley suggested that you might reserve a room for us at the Skirvin Hotel - but you may have other plans. Please inform us regarding our schedule for these days with you folks. Do you have any suggestions regarding my contribution to these meetings?

Wednesday of this week we shall be leaving for a vacation in Upper Michigan; we will return around September 1. Our address will be: Box 60, Iron River, Michigan.

We are looking forward to our visit with you folks and would welcome any suggestions you might have regarding our visit.

Sincerely yours,

Meredith J. Sprunger  
Field Representative
