Pursuant to the request by telephone from Scott Forsythe yesterday, I have prepared an Assignment of the above-identified work from Meredith to URANTIA Brotherhood Corporation.

I understand that you are forwarding to the Copyright Office the application to register your claim to the copyright in this work as proprietor, and, for purposes of the record, you should, at the same time, forward the executed and witnessed assignment for recording.

Although it is not necessary to record this assignment as far as your protection of the copyright is concerned, I nevertheless feel that it is always well to record documents of this sort.

Yours very truly,

  
Lloyd C. Root
