Dear Marge:

It was nice to talk with you concerning the projected master bill for our coming conference in June.

Enclosed you will find our check for \$1,345.94 which is 20% deposit on a projected bill of \$6,729.72.

I hope your winter season is successful, despite the erroneous publicity that would lead you to think there is little or no snow in your area.

Thank you for your compliments concerning our volunteer workers. We indeed are fortunate to have many talented and dedicated individuals working together.

If you have any questions I can be reached at 312-327-0424. Best wishes for a snowy winter.

Warm regards,

John Hales, President

Dear John:

Enclosed you will find a copy of the projected master bill for your conference next summer. As you know, 20% of the total amount is due within the month.

John Hay called me after he spoke with you on the phone today. He explained to me that Urantia will be paying for two second floor suites, two adjacent rooms for child care supervisors and one single for a nurse at the Wildwood Inn. This cost was not factored into the master account 20% figure of \$1125.00 which John discussed with you. Please consult the projected master bill for an adjusted estimate.

It is a pleasure working with such an efficient and energetic group as yours. Whenever I can be of help, please don't hesitate to call.

Best Wishes for a warm and special Christmas!

Sincerely,

*Marge*
