Dear Mr. Sprunger:

Mr. Sadler has told us of his meeting with you last Monday and asked me to send you certain material.

The two books for which you gave him a check are being mailed today parcel post. Also, in accordance with your request for 24 copies of the Urantia Book on loan, the Executive Committee has authorized me to send them to you, and they will go out within the next few days by express.

We have put your name on the list to receive our quarterly News Letter and I am enclosing a copy of the one which went out in October.

Mr. Sadler also asked me to send you a copy of the Urantia Brotherhood constitution and by-laws, and a copy of the sample constitution proposed for a local Urantia Society. These are enclosed.

If there is any other way I can help you, please let me know.

Cordially,

Secretary-General
