Dear Dr. Sprunger:

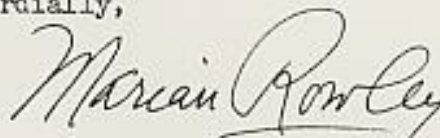

We have your order of January 12 for five books, but since you are a newcomer to our ranks, I want to tell you what our policy is regarding book orders.

Since we are a small organization, we are not set up to send books out on credit or on approval. Therefore, we have made it a rule not to mail any books unless they are paid for in advance. Please understand that's not a reflection on you personally. It's just a rule we've felt it necessary to set up, and it holds even for Mr. Harrah! The price is \$10.00 and checks should be made payable to the Urantia Brotherhood Corporation. I know Harold Karrer took seven books to you Sunday, which were a gift to you from a man in Kansas City. Perhaps you won't want these five books which you've just ordered. In any event, we won't do anything more until we hear from you. According to our records, we have sent you two books which you paid for, and 24 books which the Executive Committee authorized us to send you on loan. If you have all those out and working, you are doing very well!

I am sorry to tell you that we cannot give a discount for quantities of 25 or over. The only way we sell the book at less than retail price is when it is ordered by an authorized bookseller for resale at \$10.00.

I found on my desk tonight a number of copies of your latest presentation, which I presume you sent Dr. Sadler. We are very glad to have them. We have just ordered another 500 copies of your first presentation and plan to attach one to each copy of the January News Letter which will go out in the next couple of weeks. Everyone likes it very much and we are grateful to you for letting us use it.

Cordially,

Secretary-General

Marian Rowley
