Dear Dr. Sprunger:

In accordance with Mr. Harrah's instructions we are forwarding to you today a copy of the Urantia Book rebound in sections, as a gift from him. Hope you will enjoy it as much as we do.

I also want to thank you for your letter of January 17 enclosing reproductions of some of the charts which I gave you. We are curious as to what process you used. It looks like photostat but we have declined to use photostat because it is so expensive.

Kindest regards to Mrs. Sprunger and yourself, I remain,

Sincerely yours,

(Mrs. William S. Sadler, Jr.)
