

533 DIVERSEY PARKWAY
CHICAGO

July 30, 1957.

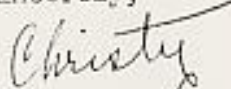

Dear Friends:

I find that Dr. Sadler has written you that he will be glad to see you in Chicago on August 20th. Well, so will I, but I have reminded him that perhaps you would prefer to visit us at Beverly Shores and he has asked me to write you.

We will be at Beverly Shores August 15, 16, 17, and 18, and again on August 29, 30, 31, and Sept. 1, in fact, we will be there all of the first week in September as well. So, since we have been anxious to have you come to Pine Lodge and since it is a nicer drive for you than to come to Chicago, we would love to have you choose whatever time suits you the best and then to visit us there instead of coming into this hot old City. What do you say? You are now away on your vacation but as I do not have your vacation address am sending this letter to Culver. If you prefer to come to Chicago on the 20th as arranged, all well and good, but you will love Pine Lodge and we would love to have you visit us there.

Write us when you have time. And in the meantime, have a wonderful vacation.

Sincerely,

Christy Sadler
