Dear Dr. Sprunger:

I have read your letter as well as the essay-
"Religion For the New Age" with great interest. Further-
more, I presented the entire matter before the Executive
Committee at its monthly meeting where it was discussed
at some length. It would be difficult, and perhaps
confusing, to attempt to outline our thinking regarding
your ideas and suggestions in a letter. Therefore the
committee has asked Dr. Sadler to sit down with you at
your convenience to discuss your proposals and to
clarify the position of the Executive Committee relative
thereto.

In addition I have asked Dr. Sadler to give
you a resume' of the policy recently adopted by the
Urantia Foundation pertaining to promotional activities
regarding the dissemination of the Book.

I look forward to seeing you on the 21st.

Sincerely yours,

Warren H. Kulieke
