Dr. William S. Sadlor
533 Diversey Parkway
Chicago 14, Illinois

Dear Dr. Sadler:

Again I should like to thank you and Christy for your kind hospitality at Pine Lodge. Especially do I wish to express my appreciation to you for your wise and fatherly guidance. It was the thing I needed to settle my own view point and personal life plan.

Am enclosing a copy of my letter to the Executive Committee. We hope to see you sometime this Fall.

Cordially yours,

month
