Meredith J. Sprunger, Minister
Grace Evangelical and Reformed Church
307 N. Plymouth St.
Culver, Indiana

Dear Meredith:

I have very much appreciated the material which you've been kind enough to let me see and I thought you might enjoy looking over the report made to the Brotherhood summarizing its first three years and also the Master Universe Hypothesis. This latter is in the third draft and the fourth draft is in process. Any comments you care to make would be much appreciated.

Cordially and sincerely,

Bill 17
