Dear Mrs. Booth:

Yes, there is a school functioning - the Urantia Brotherhood School - at the headquarters of our organization at 533 Diversey Parkway, Chicago, Ill. The school is presently preparing a brochure and when this is completed will be sent to interested individuals.

The Index to the book is in preparation but will not be ready for several years. It is a tremendous job.

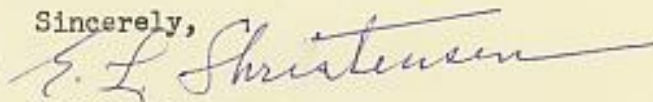

I am sending you copies of our last two News Letters; these are issued every three months. If you care to be put on our list, please let us know. There is no charge.

Yes, indeed, the Urantia Book is a wonderful book. I am glad you have enjoyed it. There is a very fine group of people in Oklahoma City who meet regularly for study and I hope you will be able to visit them sometime.

We do not have any other publications except some teaching aids which are used in the school, namely:

Doctrine - Theology of Urantia Book, in four volumes at	\$5.00 each
Teachings of Jesus	5.50
Worship & Wisdom	5.00
Science, Vol. I	2.50
Topical Studies, Vol.I	5.00

Please feel free to write us at any time.

Sincerely,
(Miss) 
E.L. Christensen
