Mr. Vern B. Grimsley  
c/o Mrs. G. J. Neill  
212 Beach Ave., River Park  
Fort Pierce, Florida

Dear Mr. Grimsley:

It was good to hear from you again. Our last direct letter from you was in 1958, but Dr. Sprunger sent us a copy of one you wrote him about a year ago, telling of your continued interest in the Urantia Book. You were in the University of Kansas at that time. Is this new address a permanent one for you? If so, we want to change our News Letter list.

The textbooks which are used in the school present no new material. They are mostly excerpts from the book itself. But they are arranged in subjects and classifications which help in understanding some of the concepts a little better. There are four volumes of "Doctrine - The Theology of the Urantia Book," each at \$5.00 and they may be bought separately. These cover subjects such as God, Paradise, the universe, angels, sin, salvation, and so on. Another volume is called "Short Doctrine" and is simply a brief summary of the preceding four. This is \$3.00. "The Teachings of Jesus" is arranged in four parts, parables, miracles, sayings, and sermons. It is \$5.50. "Worship and Wisdom" consists simply of inspirational passages from the book gathered into one volume. It costs \$5.00. "Science in the Urantia Book - Part I" has the quotations gathered under the headings of geology, chemistry, physics, astronomy, etc, and costs \$2.50. "Topical Studies - Part I" covers general subjects such as faith, prayer and worship, etc., and costs \$5.00. Whenever a new textbook is ready it is listed in the News Letter. If you would like to order any of these textbooks, your check should be made out to Urantia Brotherhood School.

I showed your comment regarding the appendix in "The Mind at Mischief" to Dr. Sadler and he asked me to remind you that the appendix was written long before the Urantia papers started. Other than that I can tell you nothing.

I hope you keep in touch with us and let us know how you are progressing. If you are ever in Chicago, please come in to see us. We would like to meet you.

Cordially,

Marian Rowley

Secretary-General
