

URANTIA BROTHERHOOD  
INTRA-OFFICE MEMORANDUM

*File - Hunt  
Bakersfield*

FROM Christy  
TO Alvin

DATE July 11, 1972  
SUBJECT

You will recall I talked to you about Professors Hunt and Calabrese writing us a letter stating that they would like to offer a course based on the Urantia Book at the California State College at Bakersfield. You also know of Jim's reply on June 5 to their proposal on Foundation letterhead.

In response to Jim's letter we received on June 23, a letter from Dr. Hunt giving details about their course which Jim requested. (copy enclosed).

On July 8, we received a letter from Dr. Calabrese giving us details about the course.

In the meantime I had written to Julia Fenderson asking her to give us a report on these two gentlemen as she said she was entertaining them for dinner on July 2. She already knew Dr. Hunt, she told me on the telephone, as he had attended one of their meetings. Instead of Julia writing us, we received a letter from the President of FUSLA, Jeff Bedell, giving his opinion of the gentlemen in question, to which I replied on July 10.

You will also note my interoffice communication to Jim asking him to acknowledge the letters from Dr. Hunt and Dr. Calabrese and advising him that the whole matter has been turned over to you. Copy of my note to Jim dated July 11, is also attached.

The next move is yours.
