Dear Reader:

THE URANTIA REVELATION HAS THE POWER TO TRANSFORM. It will continually develop spiritually led people--men and women who will dare to proclaim and live these incomparable teachings among all nations, among all races.

THE HUMAN RACE WILL ACHIEVE ITS DESTINY. Once set on course, nothing can prevent this. In the fullness of time, this planet will be settled in light and life; but all of our efforts, both individual and group, are needed.

THE GOSPEL WHICH JESUS PROCLAIMED WILL SOMEDAY RULE THIS VERY WORLD, just as even now it rules in the hearts of all sincere believers.

URANTIA Brotherhood and URANTIA Foundation have an active mission dedicated to seeing that these truths are realized on our planet, Urantia. We know that you, too, are committed to serving in this way; but to carry out our tasks, we need your help. Will you join us?

Here are some of our current projects:

1. Actively protecting the integrity of the text of The URANTIA Book so that future generations will have certain and sure access to the revelation as originally given to us.
2. Fostering the growth of study groups throughout the world.
3. Creating educational programs centered upon The URANTIA Book and its teachings.
4. Implementing the on-going library book placement program and the new bookstore consignment program.
5. Undertaking national and international outreach, including translations, conferences, and personal contacts.
6. Diligently preserving the registered identifying marks to point future generations toward the original text of The URANTIA Book and the URANTIA organizations devoted to its wise study and dissemination.
7. Consciously facilitating the evolution of our readership community as an association of religionists dedicated to weaving the teachings of The URANTIA Book into the hearts and minds of our planetary brethren.

Nothing short of your financial support can keep these projects alive.

We thank you deeply for your generous support.
