The Fellowship for readers of *The Urantia Book*

July 22, 1997

Dear Book Buyer:

For the past year we have been selling you *The Urantia Book - A Revelation For Humanity* published by Uversa Press. Now Uversa Press must inform you that we can no longer sell this edition of the book. The Ninth Circuit Court of Appeals overturned a 1995 ruling that placed *The Urantia Book* in the public domain. The copyright has been restored to Urantia Foundation (the original publisher of the book).

We appreciate your support and are sorry for any inconvenience this may cause you. If you have any current inventories of our book, you need to cease sales immediately. Please hold the books until we notify you about what to do with your inventory. In addition, we encourage you to purchase *The Urantia Book* from Urantia Foundation who will happily meet your needs.

It is a pleasure to work with you. Thank you for your support of *The Urantia Book*.

Sincerely,

*Janet Farrington Graham*
