FRAMINGHAM, MASS
19 October 1956

DEAR DR KULIEKE:

Thank you for the copy
of "Summary of Events of the Third Quarter"
1956
and I am happy to know that Chapter
No 2 of the URANTIA Brotherhood has
eventuated.

It was sad news that Wilfred C
Kellogg has passed on and I among
many others, no doubt, are looking forward
to the publication of the Index to
which he gave so much of his precious
time.

I have had several most encouraging
results from recipients of books I
have passed on and I would be glad
to purchase 5 more copies. Could
you please pass this information on
to the custodians and as soon as I
receive notice of the cost, including
postage, I will forward a check to
cover the outlay.

PARCELS and communications should,
until further notice, be addressed to

Yours Sincerely

(SIC) Hubert Wilkins
