Dear Dr. Sadler:

Am sending you a few of the Introductions. I feel somewhat satisfied now with this approach plus the personal elaborations which the individual can do as he deems wise. If you should like us to make you some of these (minus the smudge marks) we would be glad to do so at no cost to the Foundation. Having it all on one sheet makes it much easier to handle.

If you have the quotations of the Urantia Book gathered together and their origins listed, I would appreciate having a copy. Don't have any trouble with the Bible quotations but those from other sources are completely unknown to me.

Sincerely,

Meredith J. Sprunger

Dear Dr. Sprunger:

Regarding your letter of January 11th, I have a record of the research on the quotations in the Urantia Book other than those found in the Bible. It is rather a long story, and I think I had better wait and take it up with you some time when you are in Chicago.

With best regards I am,

Sincerely,

William S. Sadler
