Dear Dr. Sadler:

We have been looking over our schedule to see when we can come to Chicago on a Sunday afternoon. It appears that we can get away on May 19th. We will no doubt have to dismiss our own study group which meets on Sunday evening. We enjoyed meeting and visiting with the ladies from Chicago on Easter Sunday. We are looking forward to visiting with you folks again and meeting many of the other folks.

Best wishes to all of you. Am interested in learning more about Dr. Zachow. Am also wondering about the condensation in reference to the lawyer's opinion and suggestions of the Foundation.

Cordially,

Dear Dr. Sprunger:

I have your note telling me you will be with us on May 19. That is the Sunday that I have the program so I will arrange for you to have part of my time to tell our folks whatever you may have on your mind that you think will be helpful to them.

I will talk with you about the condensation problem at the time of your visit.

Sincerely,

William S. Sadler
