This informal discussion is summarized as follows:

None of the committees had any business to report with the exception of the Charter Committee. Mrs. Burton reported that an application for a charter had been received from the Glenview study group, but action had been deferred pending reconsideration of the name of the society, since the name they preferred was open to question. There followed a discussion of the requirements for a name and it was the consensus of the committee that the location should be included somewhere in the name.

The Vice-President asked for suggestions for the April News Letter. The Treasurer and Secretary-General had nothing to report. The President reported on his Oklahoma City visit. He also discussed the relationship between the Brotherhood and the Corporation.
