URANTIA BROTHERHOOD

CHICAGO 14, ILLINOIS

QUARTERLY NEWS LETTER FROM
THE EXECUTIVE COMMITTEE OF THE URANTIA BROTHERHOOD
TO THE GENERAL COUNCIL AND OTHER INTERESTED INDIVIDUALS
October 4, 1955

Summary of Events of the Third Quarter 1955

Hello:

Concerning the Book and when you might look for it: Physical delivery at 533 is expected immediately. However, because of certain legal copyright complications, the book will not be released to subscribers until one or two weeks later. The pre-publication price of \$7.50 still holds, but will expire on October 31, 1955. On and after November 1, 1955, the book will sell for the retail price of \$10.00.

On Sunday, September 18, the General Council met and passed the By-laws of Urantia Brotherhood.

You may be called upon to help with our fast multiplying problems. The need for help is becoming apparent. It will continue to grow.

The first Teachers' Seminar began its concentrated study Saturday, September 10. This class will meet every other Saturday. The plan is to train a faculty for the Educational Committee. During the year these individuals will take turns conducting the regular meetings of the Forum on Sundays. It is also anticipated that a Teacher's Manual will result from the work of this class.

You will encounter many questions regarding the nature, origin, and organization of the book. You are now informed that cards have been printed containing specific references to the book itself in answer to these questions. We will greatly reduce the trials and tribulations of all if we let the book speak for itself. These cards are available upon request.

We want to acknowledge the fine letters we have received concerning the News Letters. It is encouraging to know that these efforts are appreciated. We shall keep you informed.

And, now, patience yet a little while. The message about to be proclaimed is simple yet most

profound: "The Word has become Book."
