TO: Members of the First Urantia Society of L.A.

FROM: Pauline Parke, Secretary, FUSLA

Dear

Those of us who are members in the FUSLA belong to a unique group. We are privileged to be among the first to study The Urantia Book, use it in our every day lives and proclaim its great truths to others. These blessings we share are coupled with obligation and responsibility towards ourselves and our fellow men.

As living readers of The Urantia Book and members of the Society we are constantly charged with evaluating the fulfillment of our responsibilities and loyalty. Our Own Constitution offers us this challenge of Purpose:

".....the study and dissemination of the teachings of the Urantia Book, the inculcation and encouragement of the realization and appreciation of the Fatherhood of God and the Brotherhood of Man in order to increase and enhance the comfort, happiness and well-being of man as an individual and as a member of society through the medium of fraternal association, ever obedient to the laws of this country and to the regulations of Urantia Brotherhood. "

The FUSLA Governing Committee recently voted on revising and updating our membership list. This has never been done. There are some names on the present list that we are not acquainted with, and some people we haven't heard from for months and years. Please help us. If you are no longer interested in remaining a member of the FUSLA organization, indicate by signing the resignation statement. If you wish to retain your membership please sign in the affirmative. Return in the enclosed envelope by February 15, 1967. Thank you for your consideration.

I affirm my membership in the FUSLA.
