Rocky Mountain URANTIA Society
of
Denver

March 1, 1982

Dear Society member:

Enclosed you will find a report by the newly elected Coordinating Committee containing budget information, recommendations and a proposed schedule of Society-sponsored activities for 1982. Also, since our constitution requires that the Society members approve the dues schedule and this year's activities, you will find a ballot enclosed. Please return your vote as soon as possible.

We really missed the participation of those of you who could not attend the February 6th meeting. Minutes are available upon request. Election results are as follows:

Under new business, the Society voted to accept The Boulder School for

Students of The URANTIA Book as a part of the Society on a one year trial basis to help fulfill the educational objectives of the Society. The school will be sponsoring a number of seminars conducted by guest teachers -- longtime scholars of The URANTIA Book. The seminars will be open to readers in the area.

The active involvement of every Rocky Mountain URANTIA Society member is vital to serving the diverse needs of the ever-expanding URANTIA Book reading population of the region. If you would like to participate on the Book Committee, Newsletter staff, or help organize any Society activity, contact me at 457-2897.

I hope this will be a very rewarding year in the progress of our Society.

Yours truly,

Linda McNelly

Linda McNelly, Secretary
