C. Re: Dun and Bradstreet report:

We are a small distribution outlet specializing in the above mentioned two books only. The URANTIA Book has sold over 100,000 copies, and we have almost never had a return. If for any reason a returned book is not properly

credited to the Waldenbooks account within a reasonable period of time, this letter will authorize Waldenbooks to deduct payment from accounts payable. Since we specialize in these two books only, it is very easy for us to stay on top of the return policy. Also, since our organization specializes in these two books only, and is a non-profit foundation, we are in no position to receive a Dun and Bradstreet rating.

We hope you understand our situation, and that you will work with us.

Sincerely,

John D. Hay
