Dear Marian,

I am sorry to be so late in getting the Minutes of the Charter Committee of July 1st to you - as it is, the Minutes of July 8th are not complete. David promised to send me Lucile Faw's notes around August 1st which I don't have, and as soon as I get them I will rewrite the whole pages so there will be complete minutes.

I received from Lucile Faw the Third Draft of the Constitution of URANTIA Society of San Fernando Valley, with possible chartering dates in October.

From David I received the 2nd Draft of the Membership Pamphlet by David Renn, and the correspondence between Lew Clark and David Renn on the constitution of the group in the Northwest.

We are leaving Aug. 19th for our trip to

Alaska for 2 weeks, then to LA for Labor Day weekend; we hope we'll get to see Vern's new purchase and then Meredith will have to be in Chicago for the Executive Committee Meeting, Sept. 9-11 - I suppose I'll be "tagging" along if we can get some things caught up with the 1 day we'll be home! We'll see.

It was good to see you at Lake Forest College in July - have a good vacation in Wis. when you go. We'll have to go back up to the cabin the latter part of Sept. to close the cabin for the Winter.

Had our Governing Committee meeting last evening to plan for our Fall Study Group Program which begins Oct. 2nd.

With love,

*Gene*
