"Of all human knowledge, that which is of greatest value is to know the religious life of Jesus and how he lived it." 196:1.3 (2090)

Dear Benefactor of the Serbo-Croatian translation:

On August 21st the governing committee of the Golden Gate Circle Society regretfully accepted Nora Moakher's letter of resignation from the Serbo Croatian translation project. We hope this will be a temporary withdrawal on her part from the project, but it is not clear at this point what her future contribution may be to this effort. Given the unsettled current state of the project, the committee voted to suspend operations of the project through the end of this year. At that time a decision will be made as to how we will proceed with the translation. Several suggestions are now under consideration, and since you have been a contributor, we respectfully request your input as to what you would like to see happen with the project. In the meantime, we are asking all those who have been contributing to this effort to cease making any future contributions until a decision has been reached.

Please address your advice, suggestions, or requests for the future development of this project to:

Your past support for this project has been crucial to its development thus far. We hope to resume the operation shortly, and we will be looking forward to your continued support at that time.

Sincerely,

Larry Watkins  
President, Golden Gate Circle Society
