

**To: Larry Watkins**

*Who has made a significant difference during his  
long season of servanthood in California*

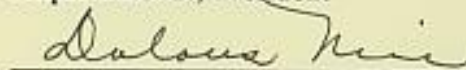

## **Certificate of Appreciation and Excellence**

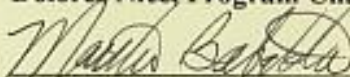

*For many, many years of wise, willing, and worshipful service  
to God, to the Golden Gate Society of Readers of the Urantia Book,  
and to Jesusonians everywhere*

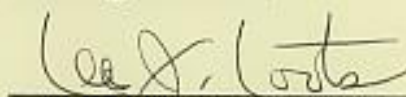

*You, Larry, have always been willing to go the extra mile!  
Your ready and wry sense of humor leavens everything.  
And your teamwork efforts are remarkable because you are unconcerned  
about credit for doing that to which you have devoted your life.  
May God richly bless your eternal adventures!*

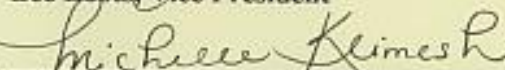

*With love, respect, and gratitude,*
