

Later in the day, we heard from Lewis Clark, founder of the first
URANTIA Society. 4th URANTIA TRIENNIAL DELEGATE ASSEMBLY

Every three years, each URANTIA Society of URANTIA Brotherhood chooses two of its members, one delegate and one alternate, to attend the Triennial Delegate Assembly at URANTIA BROTHERHOOD headquarters in Chicago. The purposes of the Triennial are the choosing of new members to the 36 member General Council of URANTIA Brotherhood, voting on various resolutions that come before the assembly of delegates, and the reporting from each URANTIA Society of its activities over the previous three year period.

This year, the delegate from FUSLA was our current vice-president, Scott Forsythe, and the Book Committee Chairman, Patrick McNelly, served as alternate.

Unseasonably fine weather greeted the delegates and visitors this year as the delegate assembly opened on the morning of Friday, August 3rd.

Miss E.L. Christensen, Trustee Emeritus of URANTIA Foundation and former president of URANTIA Brotherhood, opened the Triennial with an uplifting address of welcome to all of the delegates, alternates, field representatives and visiting members of URANTIA Brotherhood after which was heard an inspiring keynote address from James C. Mills, vice-president of URANTIA Brotherhood.

There are nine Departmental Committees of URANTIA Brotherhood, and following the keynote address, the committee chairmen reported on the activities of their committee during the triennial period. Reports were then heard from the Field Representatives of URANTIA Brotherhood, each telling the assembly of the progress that has been made in each of the field areas in the last three years.

that by then, each of us will be even more dedicated to the Father's will for our lives as we grow and share together in the work we have ahead of us bringing to the hungry people of our planet the teaching of the URANTIA Book.

TRIENNIAL DELEGATE ASSEMBLY
URANTIA BROTHERHOOD

Later in the day, we heard from Lewis Clark, founder of the first URANTIA Society of Wenatchee, Washington, on the growth in the North-West. Paul Snider, the new President of URANTIA Brotherhood, presented an inspiring talk on Faith, and Helena Wall, a high school teacher from Connecticut, talked on where the high school youth are today. I personally recommend to all Agondonter readers that they write to Chicago for copies of these papers, all three of which are not only well written, but informative and enlightening examples of the thoughts and ideas of three unique and different Urantians.

That evening, Christy invited everyone to her home on the third floor at 533 Diversey Parkway where nearly 100 guests form around the country enjoyed a most pleasant and warm evening of fellowship, delicious food, and the wit and humor of Joite Coston of Milwaukee, and Vern Grimsley of Berkley.

On Saturday, August fourth, the election of new Councilors took place and both Julia Fenderson and Scott Forsythe of FUSLA were elected to nine year terms on the Feneral Council of URANTIA Brotherhood.

~~At twenty-seven, Scott is one of the newest and youngest members of the thirty-six member Council.~~

Congradulations Scott!

An important resolution was passed on Saturday by the delegates, supporting the URANTIA Foundation and the copyright of the URANTIA Book.

Reports were then heard form each of the URANTIA Societies around the United States after which Vern Bennom Grimsley of the Family of God Foundation Radio Broadcast ended the assembly with one of his typically inspiring orations. As usual, Vern was filled with the evangelistic zeal of Peter and his talk was ver well recieved.

The next Triennial Delegate Assembly will be in 1976 and I hope that by then, each of us will be even more dedicated to the Father's will for our lives as we grow and share together in the work we have ahead of us bringing to the hungry people of our planet the teaching of the URANTIA REVEAL
