AMAZING GRACE

Amazing grace! How sweet the sound
That saved a soul like me!
I once was lost, but now am found,
Was blind, but now I see.

T'was grace that taught my heart love's need
And grace my needs did fill
How precious is that first sown seed
To seek the Father's will.

Through many dangers, toils and snares,
I have already come,
'Tis grace hath bro't me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun.

BRIDGE OVER TROUBLED WATERS

When you're weary, feeling small,
When tears are in your eyes, I will dry them all.
I'm on your side. When times get rough
And friends just can't be found,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

When you're down and out,
When you're on the street,
When evening falls so hard
I will comfort you.
I'll take your part.
When darkness comes
And pain is all around,
Like a bridge over troubled water
I will lay me down.
Like a bridge over troubled water
I will lay me down.

Sail on silver girl,
Sail on by.
Your time has come to shine
All your dreams are on their way.
See how they shine.
If you need a friend,
I'm sailing right behind.
Like a bridge over troubled water
I will ease your mind.
Like a bridge over troubled water
I will ease your mind.

GOD IS OUR FATHER

- 2 -

God is our Father,
We are His children,
We are one family the whole world round,
Brothers and sisters,
Come join together,
Lift up your voices,
Hear the great sound.

LET IT BE

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness, she is standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken-hearted people living in the world agree
Will there be an answer, let it be
For though they may be parted, there is still a chance that they will see
There will be an answer, let it be

LONESOME VALLEY

Jesus walked this lonesome valley
He had to walk it by himself;
O nobody else could walk it for Him
He had to walk it by Himself.

We must walk this lonesome valley
We have to walk it by ourselves;
O nobody else can walk it for us
We have to walk it by ourselves.

You must go and stand your trial
You have to stand it by yourself;
O nobody else can walk it for you
You have to stand it by yourself.

MICHAEL CAME FROM SALVINGTON

Michael came from Salvington many years ago
He was Jesus here on earth and he loves us so

One bright August day at noon, he was born in Bethlehem.
Later he taught love and joy, peace, good will to men!

MY SWEET LORD

My sweet Lord, mmm my Lord, mmm my Lord
I really want to see you, really want to be with you
Really want to see you Lord, but it takes so long, my Lord
My sweet Lord, mmm my Lord, mmm my Lord
I really want to know you, really want to go with you

Really want to show you Lord that it won't take long, my Lord
My sweet Lord, mmm my Lord, mmm my Lord
Really want to see you, really want to see you, really want to see you, Lord
Really want to see you, really want to see you
But it takes so long my Lord
My sweet Lord, mmm my Lord
My sweet Lord -
I really want to know you
Really want to go with you
Really want to show you that it won't take long
My sweet Lord, mmm

DAY BY DAY

Day by day, day by day
Oh, dear Lord, three things I pray
To see Thee more clearly, love Thee more dearly,
Follow Thee more nearly, day by day, day by day
Day by day, day by day.
Oh, dear Lord three things I pray
To see Thee more clearly, love Thee more dearly,
Follow Thee more nearly, day by day, day by day
By day, by day, by day.

ONE IN THE SPIRIT

- 4 -

CHORUS: And they'll know we're God's children
By our love, by our love.
Yes, they'll know we're God's children
By our love.

We are one in the Spirit,
We are one in the Lord,
We are one in the Spirit,
We are one in the Lord.
And we pray that our unity
Will this day be restored.

We will walk with each other
We will walk hand in hand
We will walk hand in hand
We will be a herald of good news
That God is in our land.

We will talk with each other
We will talk and share the truth
We will talk and share the truth
We will feel a hand of fellowship
And see each other's views.

We will laugh with each other
We will laugh in joy of life
We will laugh in joy of life
We will loose the bonds of ignorance
And end the pain of strife.

We will work with each other
We will work to heal our land
We will work to heal our land
While our feet trod the hills of earth
Our faith is in God's plan.

SPIRIT OF THE LIVING GOD

Spirit of the living God
Fall afresh on me
Fall afresh on me
Melt me
Mold me
Fill me
Use me
Spirit of the living God
Fall afresh on me.

Spirit of the living God
Fall afresh on us
Fall afresh on us
Melt us
Mold us
Fill us
Use us
Spirit of the living God
Fall afresh on us.

PEACEFUL KINGDOM

I am working to build a kingdom
In my heart, Lord in my heart
Brick by brick, stone by stone
In my heart, Lord in my heart
I can see there's a lot of people lost
Some are looking for direction
And I'd like to say I know there's a better way
That's gonna lead you on to perfection.

I am working to build a kingdom
In my heart, Lord in my heart
With the tools, that I've been given,
In my heart, Lord in my heart.

There's peaceful patience, loving my brothers
Strength and courage, through the night,
Watchful waiting, endless giving,
Faithful striving, for what's right.

I am working to build a kingdom
In my heart, Lord in my heart
Brick by brick, stone by stone,
In my heart, Lord in my heart.

Look to the light and see the shining
Of the goodness that comes through you
And stay by it, peaceful and quiet,
Knowing that it's going to be good to you.

I am working to build a kingdom
In my heart, Lord in my heart,
And it's nowhere to be found
But in my heart and in your heart.

You won't find it in the city
Or in the country, or deep down in the sea,
'Cause it's only something living,
And it's living in you and in me.

I am working to build a kingdom
In my heart, Lord in my heart,
Brick by brick, stone by stone,
In my heart, Lord in my heart.

THE ME THAT I WANT TO BE

The me that I want to be is happy
The me that I want to be is singing
And if I try so very hard then surely you will see
The happy, singing me that I want to be.

The me that I want to be is helpful
The me that I want to be is kind
And if I try so very hard then surely you will see
The helpful, kind me that I want to be.

The me that I want to be loves beauty
The me that I want to be loves truth
And if I try so very hard then surely you will see
The loving, truthful me that I want to be.

The me that I want to be loves Jesus
And wants to do his bidding too
And if I try so very hard then surely He will see
The happy, singing, helpful, kind, loving, truthful me that I want to be.

THE LISTENING SONG

Chorus

I can listen, listen, listen with my ears and my eyes,
I can listen to the birds and the stars in the skies,
I can listen to God's voice with my heart inside,
I can listen, listen, listen.

#1

Sing, sing and listen
Sing, sing and listen
I can listen with my friends
And when I'm alone again
I can sing, sing and listen.

#3

Pray, pray and listen
Pray, pray and listen
I can pray to God within
And then hear his voice again
I can pray, pray and listen.

#2

Talk, talk and listen
Talk, talk and listen
I can talk **today** with you
I can listen to you too
I can talk, talk and listen.

STUDY WAR NO MORE

I'm gonna lay down my sword and shield,
Down by the river side, down by the river side, down by the river side,
I'm gonna lay down my sword and shield,
Down by the river side, gonna study war no more
I ain't gonna study war no more, I ain't gonna study war no more
I ain't gonna study war no more, I ain't gonna more.

2. I'm gonna walk with the Prince of Peace, down by the riverside, etc.
3. Yes, I'm gonna shake hands around the world, down by the riverside, etc.
