

FIRST URANTIA SOCIETY OF LOS ANGELES

Greetings Brothers and Sisters!

This First Western URANTIA Conference has ended and many people, young and old, from the United States, Canada, and Europe, had the wonderful opportunity to meet other dedicated URANTIA Book readers and share the joy and love that so overflowed from everyone's spirit during that memorable weekend.

Those of us who attended the conference were able to hear talks relating to the theme of the conference, The URANTIA Book and the Spiritual Life: Applied URANTIA Teachings. On behalf of the First URANTIA Society of Los Angeles, I am happy to say that copies of nearly all of the talks are now available for order.

For those of you who would like to have copies of all of the available papers, we have assembled these into booklet form with a cover like the one for the conference program. The entire set of papers will cost \$4.00 each plus 50¢ for postage and handling, or \$4.50 per booklet. Individual papers are also available to those of you who do not want the complete set.

Listed below you will find the titles, authors, price per individual talk, and an order blank which you should send back to us after you have filled in the correct information and enclosed either a check or money order for the required amount. Please make your checks payable to The First URANTIA Society of Los Angeles. The sooner we hear from you, the sooner we can send you this collection of talks presented at the First Western URANTIA Conference.
