May 7, 1980

In order to facilitate your participation in the Fourth Annual Mid America Get-Together, sponsored by Kansas City area study groups and students of The URANTIA Book, to be held May 16, 17, and 18, 1980, at Ramada Inn South, Belton, Missouri, and yet preserve the copyright in and to The URANTIA Book, our attorneys have advised the Trustees that they may, after taking appropriate action, give advance permission for you to use as-yet-unspecified quotations and other material from The URANTIA Book in the preparation and presentation of your talk to the Fourth Annual Mid America Get-Together.

This will require, however, that you make a written request for such permission. In this way, the action of the Trustees as well as the circumstances under which their action is taken will become a matter of record.

For your assistance, we have prepared a letter of request for you to submit to the Trustees--copies of which are enclosed. A stamped return envelope is enclosed for your convenience.

Please sign this letter in duplicate, date, and mail them to the Trustees, who will then act upon your request immediately.

Because of the rather tight time limit, please consider calling us rather than writing should you have any questions.

Thank you for your co-operation.

Cordially,

Thomas A. Kendall
President

Gentlemen:

As you know, I have been invited to participate in the Fourth Annual Mid America Get-Together, sponsored by Kansas City area study groups and students of The URANTIA Book, to be held May 16, 17, and 18, 1980, at Ramada Inn South, Belton, Missouri.

I should appreciate receiving your advance permission--in case I decide to do so--to incorporate in my presentation quotations and other material from The URANTIA Book.

I am aware of the importance of doing everything possible to protect the copyright in and to The URANTIA Book, and I know that the Trustees wish to be as scrupulous as possible toward that end.

I know that a separate permission must be sought from URANTIA Foundation should any reprinting and/or distribution of my talk be desired by me.

If this special grant of permission is agreeable to you, please sign and return the enclosed duplicate of this letter.

Thank you for your assistance.

Very truly yours,
