## OUR UNSEEN FRIENDS

### WHAT:

"There is operative on the planet a very definite and effective superhuman supervision of world affairs and human destinies." (p. 1258)\* The conference will focus on the nature and ministry of our invisible helpers (midwayers, angels, Thought Adjusters, etc.) as we sojourn on Urantia. We are grateful for the assistance and support provided by our many friends (seen and unseen) in making this conference possible.
