place, size audience, duration how long our presentation
how were we billed, what do they expect

form of this presentation

lecture, slides, songs, Q&A, study groups, rap session

content

- a. how to set up a parents training program (expanded below)
- b. how to raise children

positive injunction, they participate in discipline,
family council, chores, learning responsibility,
learn to worship in nature, free to grow own way,
not force ready-made, natural positive urges to
fairness, compassion, loyalties not precepts

- c. societal improvements

family courts, parent licenses, right to reproduce,
pre-marital compulsory training, older teach younger
in schools, compete to adopt

HOW TO SET UP A PARENTS' TRAINING PROGRAM

same as study group except all parents or prospective
parents committed to improved understanding and skills
in child-raising and conduct of marriage and family

regular time is best, meet in home or park, place
where kids can play while parents work and talk,
monthly or bi-weekly, core of at least two couples,
fixed or rotating leadership, possible to have

newsletter, scheduled topics
