The ninth meeting of the class "PREPARING FOR MARRIAGE AND FAMILY" will be held at Julia's home on SUNDAY, JANUARY 18, 5.P.M.

Because of the great importance of the topic LOYALTY in the lives of all children and particularly in the consideration of their training by parents, we are devoting one complete lesson to the subject of LOYALTY for parents and children. The URANTIA book teaches us P. 1094:6 - -"Children are permanently impressed ONLY by the loyalties of their adult associates. Loyal persons are growing persons, and growth is an impressive and inspiring reality." Let's learn to grow loyally.

Your home work will give you some startling new insights no matter how many times you had happened to have read those quotations. This will be under a new light.

One of the joyous experiences of this class on "Preparing for Marriage and Family" was the wedding of Lori and Michael. All of that beautiful wedding service with its many quotations from The URANTIA Book brought out by Vern Grimsley made it a truly great lesson for each of us. What a glorious wedding and how fortunate we all are to have been there! The U.B. tells us P.930: "After all, the ideal mortal marriage is humanly sacred. .. Marriage always has been and still is man's supreme dream of temporal ideality." Michael said that attending this wedding was to be the field work for our class. How true even though the understatement of the year!

Sunday, will be a Pot Luck Supper again so please bring:

1. A hot casserole or
2. A salad or
3. A dessert

Coordinated by Roxy and Bruce . I will furnish tea, coffee and fresh fruit juices.

We are looking forward to another evening of learning, love and good fellowship.
