This is to confirm the telephone conversation of early June 1983 between Ellen Montgomery and Julia Fenderson. Julia asked Ellen if she had found any time to work on their projected plan of completing the guide "Preparing for Marriage and Family."

Ellen assured Julia she simply had found no time and that she didn't think she could in any near future.

Julia then asked Ellen if it would be all right with her if she asked Arlene and Buck Weimer of Pueblo, Colorado if they would help complete this guide, as they had done some work in Family Study Groups in Colorado.

Ellen agreed they would be an excellent choice, so Julia wrote to the Weimers and they immediately responded in agreement.

RELEASE LETTER: BOOK ON MARRIAGE AND FAMILY

Dear Julia,

Last year I agreed to prepare a book on marriage and family, using materials you had developed. Later I found I did not have the time. I understand that Buck and Arlene Weimer have agreed to take on the job.

By this letter, therefore, I hereby release and waive any and all legal or other interest I may have had in the project.

Sincerely,

ELLEN B. MONTGOMERY
