Dear Ms. Case:

Russell Hauck has asked us to send you five gift copies of The URANTIA Book. We hope you will place these on the open shelves of your libraries so that they will be available to all interested readers.

Enclosed are two brochures which we feel you will find helpful.

As you know, the Dewey Decimal Classification number is 299--Other Religions. The Library of Congress Classification is BP605--Other Beliefs and Movements.

The book has been placed in many public and university libraries. Many libraries have reported that the waiting lists are long and have purchased additional copies. If you wish to buy other copies, the price is \$34.00, but of course we grant a 40% discount to libraries so your cost would be \$20.40 plus \$6c postage (current library rate).

Cordially,

Secretary-General
