Accept Life's Challenges

Pages 1191-1192

The Mystery Monitors are not thought helpers; they are thought adjusters. They labor with the material mind for the purpose of constructing, by adjustment and spiritualization, a new mind for the new worlds and the new name of your future career. Their mission chiefly concerns the future life, not this life. They are called the heavenly helpers, not the earthly helpers. They are not interested in making the mortal career easy; rather are they concerned in making your life reasonably difficult and rugged, so that decisions will be stimulated and multiplied. The presence of a great Thought Adjuster does not bestow ease of living and freedom from strenuous thinking, but such a divine gift should confer a sublime peace of mind and a superb tranquility of spirit.

Your transient and ever-changing emotions of joy and sorrow are in the main purely human and material reactions to your internal psychic climate and to your external material environment. Do not, therefore, look to the Adjuster for selfish consolation and mortal comfort. It is the business of the Adjuster to prepare you for the eternal adventure, to assure your survival. It is not the mission of the Mystery Monitor to smooth you ruffled feelings or to minister to your injured pride; it is the preparation of your soul for the long ascending career that engages the attention and occupies the time of the Adjuster.

Love, Fear Not

The Thought Adjusters would like to change your feelings of fear to convictions of love and confidence; but they cannot mechanically and arbitrarily do such things; that is your task. In executing those decisions which deliver you from the fetters of fear, you literally supply the psychic fulcrum on which the Adjuster may subsequently apply a spiritual lever of uplifting and advancing illumination.

Eliminate Inhibitors

Although the divine indwellers are chiefly concerned with your spiritual preparation for the next stage of the never-ending existence, they are also deeply interested in your temporal welfare and your real achievements on earth. They are delighted to contribute to your health, happiness, and true prosperity. They are not indifferent to your success in all matters of planetary advancement which are not inimical to your future life of eternal progress.

Adjusters are interested in, and concerned with, your daily doings and the manifold details of your life just to the extent that these are influential in the determination of your significant temporal choices and vital spiritual decisions and, hence, are factors in the solution of your problem of soul survival and eternal progress. The Adjuster, while passive regarding temporal welfare, is divinely active concerning all the affairs of your eternal future.

.....par. 3 All physical poisons greatly retard the efforts of the Adjuster to exalt the material mind, while the mental poisons of fear, anger, envy, jealousy, suspicion, and intolerance likewise tremendously interfere with the spiritual progress of the evolving soul.
