

**HAPPY
BIRTHDAY**

5

year old

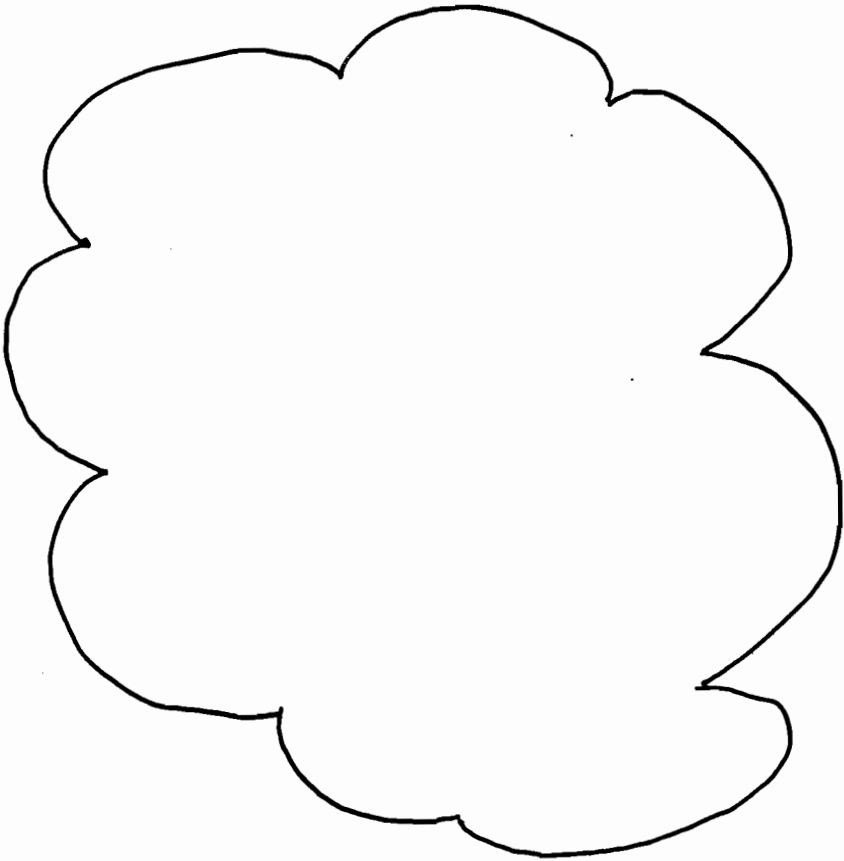

**I bet you
like Birthdays**

and

and parties.

Think of God

Do you know that

God

**also gives you
a special present
when you are 5**

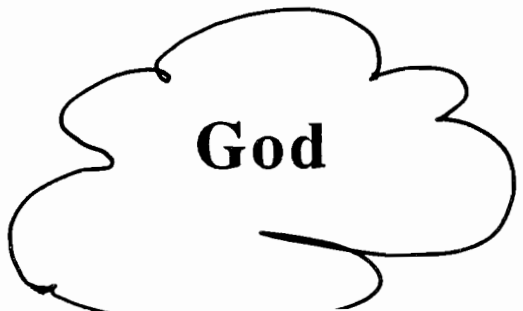

??

Think of the 
most loving,
and powerful,
and peaceful
person
you can imagine. . .

and God is probably
at least
a billion, zillion

(1,000,000,000,000,000,000,000,000,000,000 X lots!)

more times as
wonderful as we
can imagine

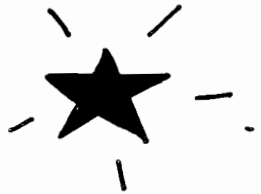

and Guess What?

When you are  5 years old . . . God gives you a teensy, tiny piece of Himself . . . You might like to think of it as

a Light

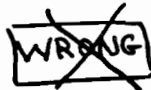

or a Little Star

inside you.

This little fragment of God will always be there to guide you and make Choices and Decisions with you.

**And this part of God
will make you beam
with Light
Like a Happy Smile**

**Like a warm
Bear Hug**

**Like giving
someone a
present 
without
signing your name!**

Be sure and Thank
God for His special
present to
5 year olds. He gives
it to you when you
are ready to make a

Moral Decision

That means to choose
between
what is right
or
wrong.

Should I take that money
at my friend's house?

right

wrong

Should I pick up my toys
and clean my room?

right

wrong

Should I water and feed
my pet every day?

right

wrong

Should I share my toys
with my brother?

right

wrong

How about hitting?

right

wrong

**If you get quiet
every day and listen,**

This present from

God

**will guide you
and help you.**

God is God

and

God is Love.
