

PERTINENT QUOTATIONS FROM THE LESSONS

ON HAVONA AND PARADISE

Julia K. Fenderson  
August 3, 1968

"Be you perfect, even as I am perfect." 21:3

"We are fully cognizant of the difficulties of our assignment; we recognize the impossibility of fully translating the language of the concepts of divinity and eternity into the symbols of the language of the finite concepts of the mortal mind. But we know that there dwells within the human mind a fragment of God, and that there sojourns with the human soul the Spirit of Truth; and we further know that these spirit forces conspire to enable material man to grasp the reality of spiritual values and to comprehend the philosophy of universe meanings. But even more certainly we know that these spirits of the Divine Presence are able to assist man in the spiritual appropriation of all truth contributory to the enhancement of the ever-progressing reality of personal religious experience -- God-consciousness." 17:2

". . . But long before reaching Havona, these ascendant children of time have learned to feast upon uncertainty, to fatten upon disappointment, to enthuse over apparent defeat, to invigorate in the presence of difficulties, to exhibit indomitable courage in the face of immensity, and to exercise unconquerable faith when confronted with the challenge of the inexplicable. Long since, the battle cry of these pilgrims became: 'In liaison with God, nothing -- absolutely nothing -- is impossible.'" 291:3

"Perfection of purpose and divinity of desire, with steadfastness of faith, have secured your entrance to the settled abodes of eternity; your deliverance from the uncertainties of time is full and complete; and now must you come face to face with the problems of Havona and the immensities of Paradise, to meet which you have so long been in training in the experiential epochs of time on the world schools of space." 290:4

"Ability to comprehend is the mortal passport to Paradise. Willingness to believe is the key to Havona. The acceptance of sonship, cooperation with the indwelling Adjuster, is the price of evolutionary survival." 290:L

"Be you understanding of your ascendant brethren, even as the Paradise Creator Sons know and love them." 297:2

"A day is as a thousand years with God, as but a watch in the night." 153:4

"As you journey toward your Paradise goal, constantly acquiring added knowledge and enhanced skill, you are continuously afforded the opportunity to give out to others the wisdom and experience you have already accumulated; all the way in to Havona you enact the role of a pupil-teacher. You will work your way through the ascending levels of the vast experiential university by imparting to those just below you the new-found knowledge of your advancing career. In the universal regime you are not reckoned as having possessed yourself of knowledge and truth until you have demonstrated your ability and your willingness to impart this knowledge and truth to others." 279:L

QUOTATIONS (Continued)

"The Almighty Supreme is 'the form of the yet unformed, the pattern of the yet uncreated.' The Supreme is your universe home, and when you find him, it will be like returning home. He is your experiential parent, and even as in the experience of human beings, so has he grown in the experience of divine parenthood. He knows you because he is creaturelike as well as creatorlike." 1288:1

"If you truly desire to find God, you cannot help having born in your minds the consciousness of the Supreme. As God is your divine Father, so is the Supreme your divine Mother, in whom you are nurtured throughout your lives as universe creatures." 1288:2

"What Michael is to Nebadon, the Supreme is to the finite cosmos; his Deity is the great avenue through which the love of the Father flows outward to all creation, and he is the great avenue through which finite creatures pass inward in their quest of the Father, who is love." 1288:3

"Step by step, life by life, world by world, the ascendant career has been mastered, and the goal of Deity has been attained. Survival is complete in perfection, and perfection is replete in the supremacy of divinity. Time is lost in eternity; space is swallowed up in worshipful identity and harmony with the Universal Father. The broadcasts of Havona flash forth the space reports of glory, the good news that in very truth the conscientious creatures of animal nature and material origin have, through evolutionary ascension, become in reality and eternity the perfected sons of God." 295:3

"This is the eternal core of perfection, about which swirls that endless procession of universes which constitute the tremendous evolutionary experiment, the audacious adventure of the Creator Sons of God, who aspire to duplicate in time and to reproduce in space the pattern universe, the ideal of divine completeness, supreme finality, ultimate reality, and eternal perfection." 152:2

"And now, at the culmination of the Havona career, as you mortals go to sleep on the pilot world of the inner circuit, you go not alone to your rest as you did on the worlds of your origin when you closed your eyes in the natural sleep of mortal death, nor as you did when you entered the long transit trance preparatory for the journey to Havona. Now, as you prepare for the attainment rest, there moves over by your side your long-time associate of the first circle, the majestic complement of rest, who prepares to enter the rest as one with you, as the pledge of Havona that your transition is complete, and that you await only the final touches of perfection. Your first transition was indeed death, the second an ideal sleep, and now the third metamorphosis is the true rest, the relaxation of the ages." 297:5,6
