The Father desires all his creatures to be in personal communion with him. He has on Paradise a place to receive all those whose survival status and spiritual nature make possible such attainment. Therefore, settle in your philosophy now and forever: To each of you and to all of us, God is approachable, the Father is attainable, the way is open; the forces of divine love and the ways and means of divine administration are all interlocked in an effort to facilitate the advancement of every worthy intelligence of every universe to the Paradise presence of the Universal Father. (By a Divine Counselor) 63:7
