The 3 areas of Space-potency & Force-energy:

1. Gigantic heart:
pulsating & directing
circuits of force-energies
2. Static zone:
expanding & contracting
thru 3 cycles of activity
(adjuster between 1 & 3)
3. Largest & most active
Area:
Emanations proceeding
outward to outer edges
of Super universes & further
into outer space
Also believed to be the
"Space-presence of the
Unqualified Absolute"

Force Flow: seems to flow in at south
 & outward at north (east-west pressures
 less) after circulating thru the universes

return to enter southern area - Thus a gigantic cycle of outgoing & incoming of
 one billion Urantia years each (never simultaneously) these energy cycles are
 synchronized with the one billion year expansion & one billion year contraction
 cycles of space respiration which bring about exchange of energy between pervaded
 & unpervaded space at a point of confluence underneath Nether Paradise, pervaded
 space extends horizontally & unpervaded extends vertically forming a kind of "nausea
 cross". Space does not impinge on any Paradise surface ending at surrounding quiet
 zone in which Paradise is the motionless nucleus. Space is an equilibrant on physical
 gravity which is the grasp of the physical presence
 of Paradise

Both space areas extend also upward & downward from all
 Upper & Nether Paradise surfaces (altho not touching)

(497 Spheres)

7 clusters - 70 spheres each. Contain institutions for training in Universe Administration & Spirit-culture wherein Ascenders are re-educated & re-examined preparatory to flight to Havona. Arriving pilgrims receive on these spheres. Those departing for Havona dispatched from central Uversa.

"Uversa" is the spiritual & Administrative hdqtrs. for approx. 1 trillion inhabited worlds. While the outer 490 smaller spheres are devoted to training institutions there is contained on the great Center Sphere the following Administrative Departments:

I. Reflectivity:

A. These operations performed by 7 "Reflective Spirits" & their 7 "Reflective Image Aids"

II. Executive:

A. "Supreme Executives" listed in order of importance

1. 3 "Ancients of Days"
2. 1 billion "Perfectors of Wisdom"
3. aided by 3 billion Divine Counselors
4. 1 billion Universal Censors
5. Mighty Messengers (liaison observers)
6. Those High in Authority (great Administrators)
7. Those Without Name & Number (great wisdom)

5. "Trinity Teacher Sons" who chance to be on duty on Uversa.
6. "Eternals of Days" who chance to be on duty on Uversa.
7. Reflective Image Aids representing the 7 Master Spirits of Paradise

III. Legislative:

A. The "Deliberative Assembly" of 7 Houses

1. Each local universe sends one native representative to each house
 - a. Selected from Ascending Pilgrim graduates of Orvonton who are on Uversa prior to leaving for Havona.

IV. Judicial:

A. Supreme Tribunal Courts

1. Composed of Beings from all above groups in varying combinations according to nature of cases
 - a. Highest presided over by Ancients of Days

The "Recent" alternate with the "Perfections" in representing the "Ancients" at the Paradise Councils of Unity-Orign Perms - one Recent always on duty. Ascenders will personally meet the 3 "Recent's" of his minor sector. He will not go thro' the other minor sectors on his journey to Uversa.

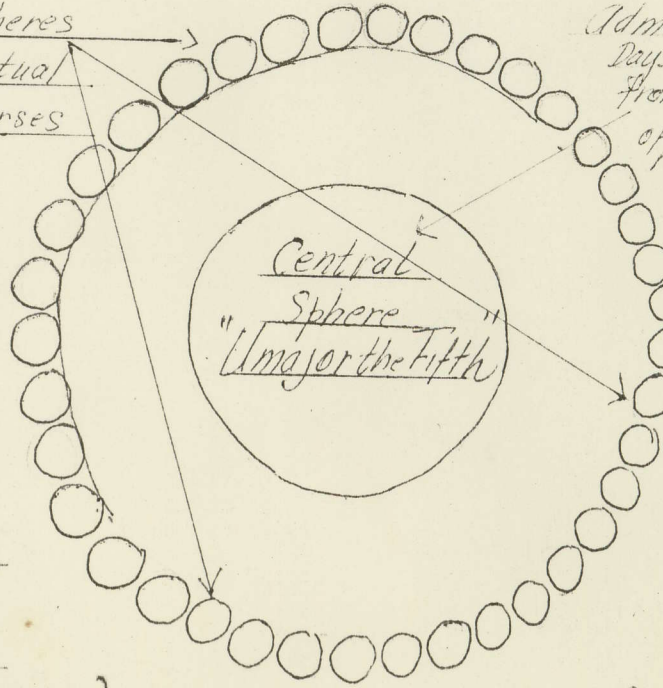

It is to be noted that all areas of s-universe govt, including that of the L-universes within it, are co-ordinated by the 100,000 "Unions of Days" one of each being resident as "liaison reporter & Paradise-Counselor" on hdqtrs. of each L-universe. They report to superior s-universe rulers of the sectors & Uversa. The final head is the "Supreme Council" of Universe Adjustments on Paradise.

70 surrounding spheres of advanced intellectual training of the s-universes

"Perfections of Days" aided by acrops of advanced Beings: Divine Counselors, Perfectioners of Wisdom, Universal Censors, Mighty Messengers, etc. Routine work: Celestial Guardians & High Son Assistants.

Administration: 3 "Perfections of Days" preside over each major sector from the central sphere as the agents of the 3 "Ancients of Days" - s-universe rulers ($10 \times 3 = 30 \times 7 = 210$ Total of "Perfections in Univ. of Universes"). They are peculiarly perfect in mastery of adm. details. Also closely associated with the 70 outer spheres & Ascendant Training. Ascenders will personally meet all 30 "Perfections" while progressing thro' all 10 major sectors of Orronton. One "Perfection of Days" always on duty in major sector.
