

## *The Urantia Book* Teaches us About GOD

---

"The Universal Father is the God of all creation, the First Source and Center of all things and beings. First think of God as a creator, then as a controller, and lastly as an infinite upholder." 21:1

"On a planet of sex creatures, in a world where the impulses of parental emotion are inherent in the hearts of its intelligent beings, the term Father becomes a very expressive and appropriate name for the eternal God. He is best known, most universally acknowledged, on your planet, Urantia, by the name *God*. The name he is given is of little importance; the significant thing is that you should know him and aspire to be like him." 23:3

"He is a saving person and a loving Father to all who enjoy spiritual peace on earth, and who crave to experience personality survival in death." 24:0

"... as a father, a real father, a true father, loves his children, so the Universal Father loves and forever seeks the welfare of his created sons and daughters." 40:1

"Mortal man cannot possibly know the infinitude of the heavenly Father. Finite mind cannot think through such an absolute truth or fact. But this same finite human being can actually *feel*—literally experience—the full and undiminished impact of such an infinite Father's LOVE...."  
"Therefore man's nearest and dearest approach to God is by and through love, for God is love." 50:4
