SPIRIT *of* TRUTH  
*is*  
BESTOWED UPON URANTIA

JERUSALEM, MAY 18, A.D. 30, URANTIA TIME

At one o'clock this afternoon the wondrous gift of Michael, the Spirit of Truth, was poured out upon all flesh on the planet Urantia. Although the Spirit invaded every honest heart throughout the world, it was particularly celebrated by one hundred and fifty believers in Jesus, who were gathered together, awaiting the Spirit of Truth in Jerusalem.

As these leading disciples of Jesus prayed a majestic presence filled the room. The believers suddenly found themselves transcend into what seemed to be another world, a new consciousness of joy, power and glory. Jesus had told them that the kingdom would come with power and now many of them understood what he meant. Peter stood up and declared that the Spirit of Truth had come. Peter declared that it was time for them to leave this closed room, to go forth to the temple, and proclaim the good news. And this is exactly what they did.

**The first mission** of the Spirit of Truth is to foster the highest form of human liberty, which is the recognition and understanding of truth. **Next, the Spirit of Truth dwells in the hearts of believers** and relieves their loneliness now that Jesus is no longer physically here. **Third, the Spirit of Truth makes us more conscious of Jesus**, of his mission, and his presence. **Fourth, the Spirit helps us remember and understand** the words of Jesus. **Fifth, for each generation, the Spirit of Truth comes to make Jesus real again**, so that he can be reinterpreted and live anew in the hearts of each believer. So the Spirit of Truth comes to lead all of humankind, for all ages to come, to all truth.
