

The Dynamics of Love

The Evolution of the Immortal Soul within the Mortal Mind

– Coordination with Spirit, Unification by Personality –

Material mind is the arena in which human personalities live, are self-conscious, make decisions, choose God or forsake him, eternalize or destroy themselves.

[*The URANTIA Book P.1216 - §4*]

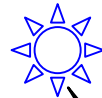

When mind is thus endowed with the ministry of the Holy Spirit, it possesses the capacity for (consciously or unconsciously) choosing the spiritual presence of the Universal Father--the Thought Adjuster.

[*The URANTIA Book P.379 - §4*]

The Adjusters cannot invade the mortal mind until it has been duly prepared by the indwelling ministry of the adjutant mind-spirits and encircuted in the Holy Spirit.

[*The URANTIA Book P.1187 - §1*]

Material Mind

Thought Adjuster

Mortal personality, through its own choosing, possesses the power of transferring its seat of identity from the passing material-intellect system to the higher morontia-soul system which, in association with the Thought Adjuster, is created as a new vehicle for personality manifestation. [*The URANTIA Book P.1232 - §5*]

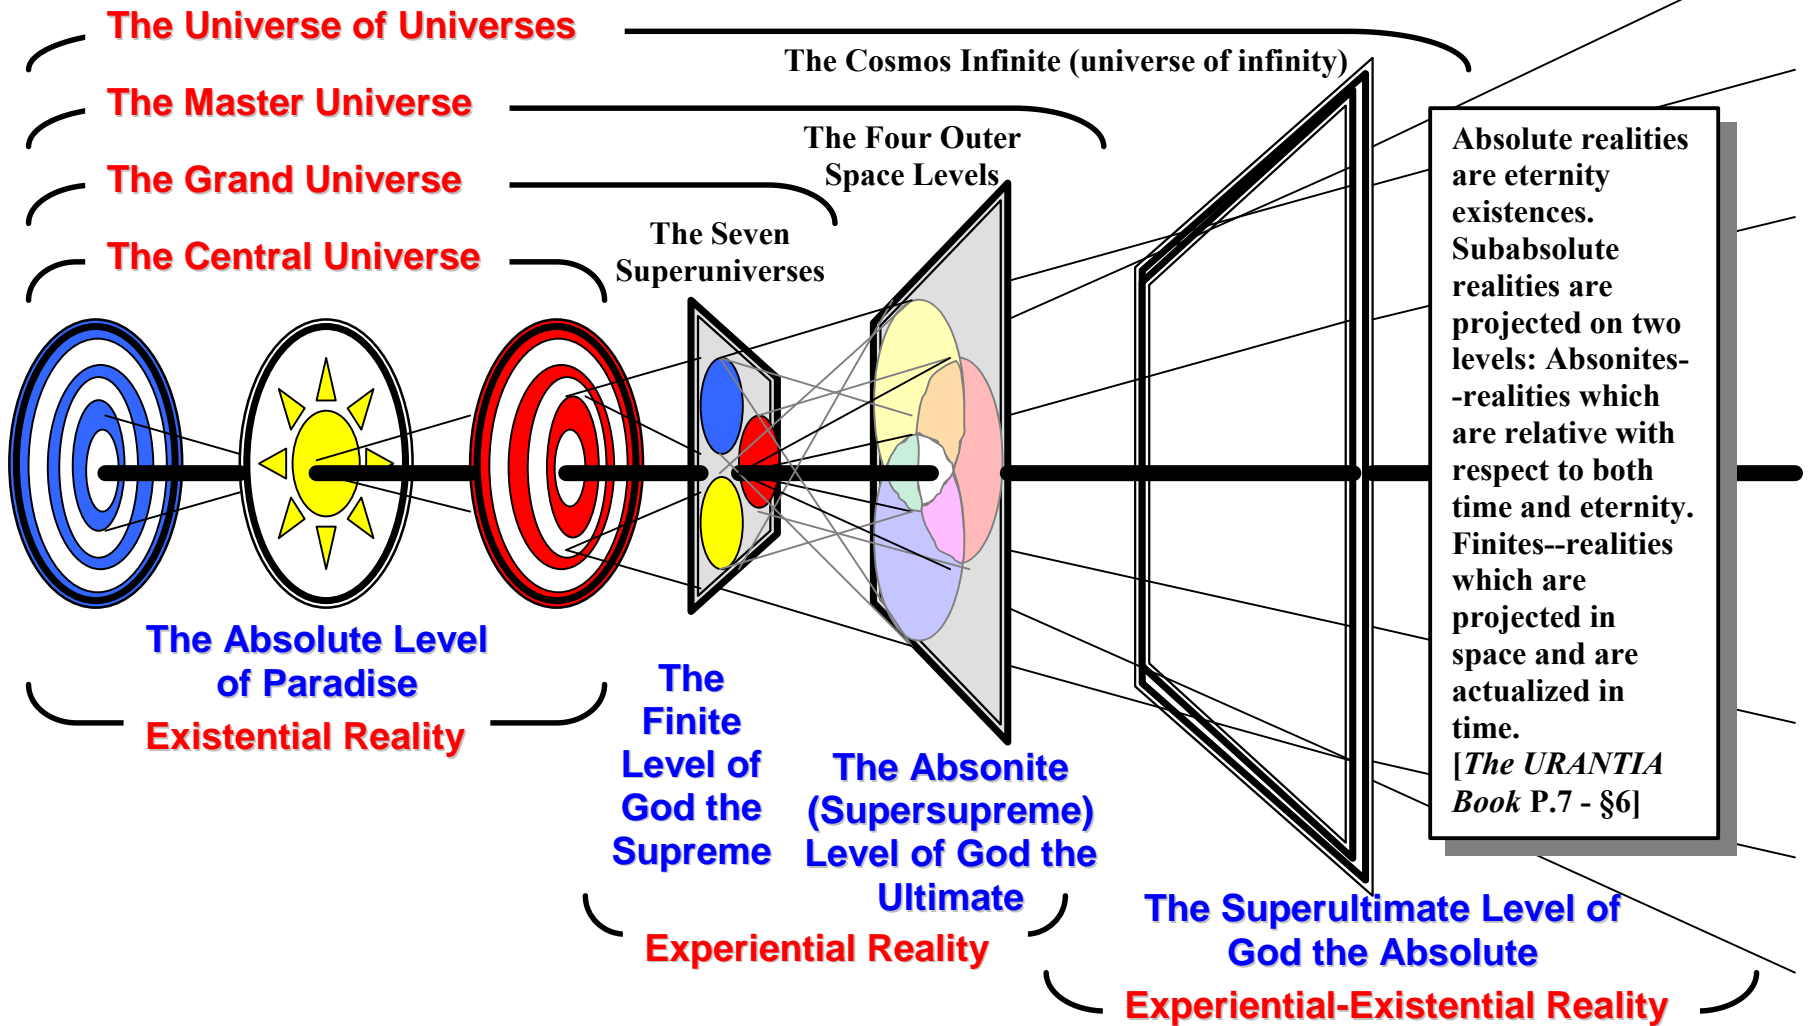

The First Source and Center

Divinity is creature comprehensible as truth, beauty, and goodness; correlated in personality as love, mercy, and ministry; disclosed on impersonal levels as justice, power, and sovereignty. [*The URANTIA Book P.3 - §4*]

Universe Levels of Reality

The central universe is the creation of eternity; the seven superuniverses are the creations of time; the four outer space levels are undoubtedly destined to eventuate-evolve the ultimacy of creation. And there are those who maintain that the Infinite can never attain full expression short of infinity; and therefore do they postulate an additional and unrevealed creation beyond the fourth and outermost space level, a possible ever-expanding, never-ending universe of infinity. [*The URANTIA Book P.1278 - §7*]

The Universal Father, through the mechanism of evolutionary Deity, is actually engaged in the stupendous and amazing act of personality focalization and power mobilization, on their respective universe meaning-levels, of the divine reality values of the finite, the absonite, and even of the absolute. [*The URANTIA Book P.13 - §1*]
