

I
AM

the bread of life
the living water
the light of the world
the desire of all ages
the open door to eternal salvation
the reality of endless life
the good shepherd
the pathway of infinite perfection
the resurrection and the life
the secret of eternal survival
the way, the truth, and the life
the infinite Father of my finite children
the true vine; you are the branches
the hope of all who know the living truth
the living bridge from one world to another
the living link between time and eternity
